LS'26 Youth Highlight

"If I had to name one of the most important things we gained from this experience, I'd say exposure—exposure to places and exposure to responsibility. Exposure to the fact that leadership often looks different from what people expect. Sometimes, leadership looks like listening carefully. Sometimes it looks like solving problems no one else notices. Sometimes it looks like showing up consistently, even without applause."

Sahil Modha, Youth Class of 2026, Ridgeline High School

509 Focus Programming

509 Focus is a fast-paced 2½-day Spokane County overview. Participants gained deeper insight into Spokane while expanding their network and learning how to make a positive regional impact.

In its second year, 509 Focus expanded to two program sessions: October 2025 and April 2026.

36 - 509 Focus Graduates

42 Expert Speakers (Per Session)

3 Spokane Tours (Per Session)

509 Focus Highlights

"I loved so many parts of 509 Focus, but I would say my favorite parts were the dynamic round tables, the walking tour and the bus tour. They were very interactive and actively engaging. I think the non-profit section really inspired me to not only get involved, but gave me inspiration to get my coworkers involved as well. Awesome experience! Highly recommend. I look forward to applying for the flagship program."

Mackenzie Peppenger, October 2025 Session, Account Manager at FreeForm

"The panels were amazing and getting to meet so many important people in our community. I think maybe that was a very important piece that I enjoyed, but if I had to pick an absolute favorite, it's truly a tie between the history on day 1 and the tour of Spokesman Review on day 2 - this was partly due to the speakers being so engaging and making it so easy to take in all of the information they had to share. I could have spent an entire day each learning about them."

Savannah Kimm, April 2026 Session, Loan Operations Support at STCU
