ONGOING SUPPORT FOR VITALANT

HOW YOU CAN SUPPORT

- To further the ongoing need for blood in our community, our project team has organized a virtual blood drive for the Leadership Spokane Class of 2024.
- Share this exclusive link with friends, family, and colleagues to encourage participation in helping our community with blood supply. This virtual drive allows you to pick a day, time, and lactation that supports your schedule! Link is below and on the class FB page!
