## Two Great Ways for Alumni to Connect with the Class of 2022!

### Alumni Support Teams- Regional Economy Day- Friday, October 8th

Leadership Spokane Alumni, how would you like to have some fun and get to meet members of the current class?

The Class of 2022's Regional Economy Day is taking place on Friday, October 8<sup>th</sup>, and as part of the class day members will be participating in a scavenger hunt that takes them to several area businesses impacting the Spokane economy. We're looking for a few alumni to station themselves at each check-in station and root on class members as they arrive at each location. You'll get a chance to interact with other alumni and introduce yourselves to the current class as they make their way through the hunt.

The scavenger hunt takes place from 8:00am-12:00pm. We're looking for a few volunteers to serve in two or four hour increments at each location. To see what locations are included in the hunt and to sign up go to (<https://www.signupgenius.com/go/5080e48acac29a0f58-regional>).

## **Alumni Scan Teams**

Can't make it out to one of the scavenger hunt sites on October 8<sup>th</sup>! No problem. There is another great opportunity to interact with Class of 2022 members.

One of the highlights of being in Leadership Spokane is the opportunity to participate in a scan team. Not only does the group work together to prepare a topical presentation for the class, they also have the chance to get to know each other in the process. Good news, Leadership Spokane Alumni- you now have the chance to relive the experience by serving on an Alumni Scan Team!

At each class day an Alumni Scan team will have the floor for one hour. During that time they can discuss the day's topic with the Class of 2022 in any way they like, such as an activity, presentation, game etc. It's up to you!

Alumni Scan Teams are needed for the following days: Governance (Nov. 5); Communication (Dec. 3); Diversity, Equity and Inclusion (Jan. 7); Education (Feb. 4); Human Needs (Mar. 4); Arts (Apr. 15); and Healthy Communities (May 6). If you are interested in signing up to be part of an Alumni scan team, email [leadership@leadershipspokane.org](mailto:leadership@leadershipspokane.org).
